The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit azblue.com/benefit2025. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-877-475-8440 to request a copy.

| Important Questions  | Answers  | Why This Matters:   |
|--|--|---|
| What is the overall deductible?                                      | In-network: \$7,000/individual or \$14,000/family Out-of-network: \$7,500/individual or \$15,000/family  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 30% <u>in-network</u> and 50% <u>out-of-network</u> . |
| Are there services covered before you meet your deductible?          | Yes. In-network: primary care and specialist office visits, preventive services, tier 1 prescription drugs, specialty drugs, urgent care visits, children's eye exams, children's eyeglasses, and children's dental check-ups are covered before you meet your deductible.  In-network and out-of-network: emergency medical transportation, and hospice services are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.  For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other <u>deductibles</u> for specific services?            | Yes. \$750/member for Tier 2 and 3 prescription medications.   | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | In-network: \$8,700/individual or \$17,400/family Out-of-network: \$17,400/individual or \$34,800/family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Premiums, out-of-network prior authorization penalty charges, balance-bills, and costs for health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .   |

| Important Questions  | Answers  | Why This Matters:  |
|--|--|--|
| Will you pay less if you use a <u>network provider</u> ?   | Yes. See www.azblue.com or call 1-877-475-8440 for a list of in-network providers. | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
