Additional Diagnosis Benefit

Once benefits have been paid for a covered critical illness, benefits are payable for each additional critical illness when the date of diagnosis is at least 30 days apart, and if the subsequent critical illness is not caused or contributed to by a critical illness for which benefits were paid. If an additional diagnosis is a cancer diagnosis, the insured person must also be in complete remission prior to the date of subsequent diagnosis.

Reoccurrence Diagnosis Benefit

Once benefits have been paid for a covered critical illness, benefits are payable for that same critical illness up to one time per insured person per lifetime, if the insured person is symptom and treatment-free for a period of 12 consecutive months, and if the subsequent critical illness is not caused or contributed to by a critical illness for which benefits were paid. If a subsequent diagnosis is a cancer diagnosis, the insured person must also be in complete remission prior to the date of subsequent diagnosis.

Waiver of Premium Benefit

Waives the premium for coverage after 90 consecutive days of total disability of the covered employee, for as long as total disability continues, if the disability is due to a critical illness for which benefits were paid.

Limitations, Conditions and Exclusions

The following represents some policy limitations, conditions and exclusions. For complete details of the coverage, please contact your agent, Assurity or ask to review the policy. Provisions may vary by state.

Limitations

GROUP CRITICAL ILLNESS INSURANCE PROVIDES LIMITED BENEFIT COVERAGE.

This insurance does not provide major medical coverage and does not satisfy the requirement for minimum essential coverage under the Affordable Care Act (ACA).

Availability of this product, and its benefits and premiums as presented, is subject to the approval of Assurity. Some applicants with pre-existing conditions may not be eligible for coverage. Product availability, features and rates may vary by state. All benefits, premiums, conditions, exclusions and limitations are governed by the actual contract as provided by Assurity, not this proposal.

Pre-existing conditions: Assurity will not pay benefits for a specified critical illness that is caused by a pre-existing condition unless the specified critical illness starts after coverage has been in force for 12 months from the issue date. Pre-existing condition means a sickness or physical condition for which, during the 12 months before the issue date, the insured person had symptoms which would cause an ordinary prudent person to seek diagnosis, care or treatment, or received medical consultation, advice or treatment from a physician or had taken prescribed medication.

Waiting period: The benefits payable for Invasive Cancer, Non-Invasive Cancer, and Skin Cancer have a waiting period. There is no coverage for Invasive Cancer, Non-Invasive Cancer, or Skin Cancer, if an insured person initially incurred or was diagnosed with any of these conditions before the end of the waiting period.

Special Endorsement

The pre-existing condition clause will be waived during the initial enrollment for employees with the existing carrier's coverage. Any employee not covered by the prior policy, including new hires, will be subject to the normal pre-existing condition clause.

Coverage Conditions

Actively Employed – The employee must be actively employed to be eligible for coverage.

Right to Cancel – The contract contains a 30-day free look period.

Termination – Coverage will terminate the earliest of the following: the date policy terminates for any reason; the date employee is no longer an employee (portability available); when premiums are not paid by the end of the grace period; the date Assurity receives written notice to terminate; when the employee establishes residence in a foreign country; or upon the employee's death.

Exclusions

Assurity will not pay benefits for losses caused by or the result of any Insured Person(s):

- being exposed to war or any act of war, declared or undeclared;
- actively serving in any of the armed forces, or units auxiliary thereto, including the National Guard or Army Reserve, except during active duty training of less than 60 days;

- committing or attempting to commit a felony;
- being incarcerated in a penal institution or government detention facility;
- engaging in an illegal occupation;
- intentionally self-inflicting an injury; or
