

Diabetes Management

Your medical plan covers diabetic equipment and supplies under the major medical benefit and/or Prescription Drug (Pharmacy) Benefit. Contact customer service for the specifics of your plan. Here are some common coverages.

Diabetic testing supplies

Diabetic testing supplies, such as blood sugar (glucose) test strips, and lancets, may be covered through your Major Medical or Prescription Drug Benefit:

Major Medical Benefits

Coverage falls under the Medical Supplies & Equipment benefit. Refer to the Diabetic Testing Supplies line item of your Schedule of Benefits for your member cost share.

The following suppliers are participating providers on EMI Health plans. If you obtain supplies through any other medical provider or facility, benefits are subject to your Non-Participating Provider benefit option, if any.

- Byram Healthcare - 800-775-4372
- Edgepark / Cardinal - 877-215-2568
- JQ Medical Supply - 801-942-8582

Prescription Drug (Pharmacy) Benefit

Refer to the Prescription Drug section of your Schedule of Benefits for your member cost share.

The 2020 formulary includes OneTouch and Freestyle. All other brands are excluded from coverage.

Continuous Glucose Monitoring Systems (CGMS) and Sensors

CGMS and sensors may be covered through your Major Medical or Prescription Drug Benefit, subject to preauthorization criteria and plan review. Refer to the Durable Medical Equipment and Prescription Drug sections of your Schedule of Benefits for your member cost share.

Insulin pump and insulin pump supplies

Insulin pumps are covered through your Major Medical Benefit, subject to preauthorization criteria and plan review. Refer to the Durable Medical Equipment section of your Schedule of Benefits for your member cost share.

Insulin pump supplies (cartridges and infusion sets) may be covered through your Major Medical or Prescription Drug Benefit. Refer to the Durable Medical Equipment and Prescription Drug sections of your Schedule of Benefits for your member cost share.

Diabetes Management

Insulin

Insulin is covered under the Prescription Drug Benefit. You may receive up to a 30-day supply per retail copayment or up to a 90-day supply per mail-order copayment. Refer to the Prescription Drug section of your Schedule of Benefits for member cost share.

- Preferred insulin copayments will be capped at \$25 per 30-day supply and \$75 per 90-day supply through the Cigna/Express Scripts Patient Assurance Program.
- Preferred insulins are Humalog, Humulin, and Lantus.

Prescription Drugs

Prescription drugs are covered under the Prescription Drug Benefit. This includes Glucagon, GLPI agents (e.g., Byetta, Bydureon, and Tradjenta), and oral agents for Type 2 diabetes (e.g., Glucophage, Avandia, and Amaryl). Refer to the Prescription Drug section of your Schedule of Benefits for member cost share.

Blood sugar testing monitors, glucose control solutions, and weight loss medications are NOT covered under the Major Medical or Prescription Drug Benefits.
