EDUCATION AND AWARENESS

Nurse On Call is available to eligible members. Members under age 18 must obtain parental consent prior to using the services. Services and treatment options presented may not be covered under your BCBSAZ benefit plan. Please review your benefits or contact BCBSAZ at (602) 864-4400 or (800) 232-2345 prior to receiving non-emergent services. Certain services are provided by an independent third party contracted with BCBSAZ to provide health enhancement services to BCBSAZ members.
