

Pet Health Coverage for Employers

United Pet Care pet healthcare plans are part of a holistic benefits package. There are no administration costs. **Just happier employees!**

As of 2020, 80% of employees are pet parents. With UPC, they get the flexibility and access they want and need, including:

No Limits or Exclusions

No one is ever denied for pet age, breed, or prior history. We take care of every pet, no exceptions.

Instant Savings

Savings at each visit to any of our network of veterinary partners. No paper work, no wait times, no hassle.

NEW 24/7 Pet Helpline

whiskerDocs blends technology & expertise to assist pet owners in the everyday health questions.

Administrators love the simplicity!

No Added Cost

No administrative cost to offer this benefit.

No Minimum Participation

Available for any size of team, big or small.

Payroll Deductions

Easy-to-setup automatic deductions.

Available Nationwide

Coverage anywhere within the U.S.

Hassle-Free and Simple

No hassles, stress, or extra HR-time needed.

Enroll Anytime

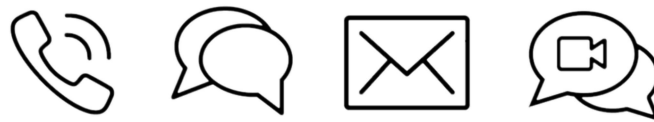

Enrollment anytime throughout the year.

Top Requested Benefit for 2023

UPC Now Includes a 24/7 Pet Helpline

Powered by **whiskerDocs**[®]

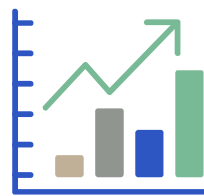

North America's leader in veterinary tele-triage & tele-education services, providing on-demand, multi-channel access to licensed veterinarians and technicians. Using protocol-driven, patented processes and proprietary technology, pet owners enjoy a seamless 24/7 experience.

Reduce Employee Stress

55% of pet health concerns can be safely handled at home with whiskerDocs guidance, saving employees time, money, and stress.

Improve Productivity

The average veterinary visit takes 3.5 hours with travel time & time waiting. whiskerDocs consults take an average of 10 minutes!

Retain & Recruit

Being "pet friendly" doesn't only mean bringing pets to work. Employers with pet benefits see marked increases in retention & engagement.
